

Collaborative Practice Agreement for Vaccines

A physician–signed, state–specific agreement

Our Collaborative Practice Agreement for Vaccines allows you to administer eligible vaccines without a prescription. PrescribeWellness handles all the physician relations, contracting, and protocol updates so you can focus on patient care.

FAQs:

1. What states have the CPA available?

PrescribeWellness currently offers a CPA in 41 states: AL, AR, CA, CO, CT, DE, GA, FL, HI, IA, ID, IL, IN, KS, KY, MA, MD, ME, MI, MN, MO, MS, MT, NC, ND, NE, NJ, NV, NY, OH, OK, PA, RI, SC, SD, TN, TX, UT, VA, WA, AND WI.

2. Which providers are covered under the CPA?

The CPA only covers licensed pharmacists to perform vaccinations; no other healthcare providers are covered under the CPA.

3. If my state is not listed, what should I do?

We will be expanding the CPA service into states as demand arises. Please reach out to us to share your interest so that we can contact you when the CPA is available in your state.

The collaborative practice agreement

- Saves you time.
- Reduces the challenges of drafting state-specific collaborative practice agreements on your own.
- Streamlines the process of identifying eligible physicians and obtaining signatures.

4. Which vaccinations are covered by the CPA?

The CPA covers all vaccines authorized by the state legislation.

5. Does the CPA cover vaccines for children?

This varies by state; please reach out to us for more information on your state.

6. How much does the CPA cost?

Please contact the PrescribeWellness Sales team at 1-800-960-8147 ext 2.

7. Is the CPA included with VaccineComplete?

Yes, the CPA is included for all VaccineComplete users in participating states.
