Earth Day Drug Take-Back Event Promotion Posts

There are many ways to safely dispose of medications- but flushing is not one! Medications that are flushed down the toilet can contaminate water supplies and negatively impact our environment. In honor of Earth Day, (pharmacy name) will be hosting a Drug Take-Back event! Bring us your expired and unused medications, and we will safely dispose of them! #EarthDay2017 #DrugTakeBack

Proper disposal of medication protects more than just the environment. Safely disposing of unused and expired medications helps prevent accidental ingestion by yourself and your loved ones. [Pharmacy Name] will be hosting a Drug Take-Back event from (start date) to (end date). Help us to keep our community safe! #EarthDay2017 #DrugTakeBack

Help us to protect our communities by cleaning out your medicine cabinet! 40% of people admit to flushing old prescriptions down drains which can contribute to contamination of environmental waterways. {Pharmacy Name} is hosting a Drug Take-Back event from (start date) to (end date) to help safely dispose of your unneeded medications. #EarthDay2017 #DrugTakeBack

General Drug Take-Back Event Promotion Posts
